Code I have the honor to bring to your notice that the amount of security which should be lodged by the present Treasurer, has not yet been fixed. Although his pay has been fixed at present on a reduced scale, the importance and responsibility attached to his office remain much the same as when Mr. Pyralu Chettyar was Treasurer. There is a difference between this Treasury and that of Districts. There is a Central Depot for small coins, it is almost daily in the state of receiving and sending Currency Notes to the Madras Bank. For want of proper Treasury Room, copper coins to the value about (in round numbers) Rs 4,200/-, silver Almirahs & other boxes of a miscellaneous nature, are placed in the Treasurer's Room under his lock. Payments to a very great extent are made here both in Currency Notes and Co.

Bangalore

Sir,

With due respect, I beg to submit the following representation for the favourable orders of Government.

The responsibilities and duties devolved on me as the Treasurer of this State Huzur Treasury are very onerous. This Treasury, unlike other Treasuries, is the Central Reserve - Depot for receipt and issue of all coins, Stamp &c. Funds are supplied to District almost every month and the Madras Bank transactions are not small.

Duties connected with Stamp Department under Government orders are also to be taken into consideration. There is no abatement or change in the work, which is the same.

In Mr. Royak Chettyar was Treasurer.

In the Official Memorandum No. 6602
Dris: 1474

dated 25th November 1898, my minimum pay was fixed
at Rs: 70/-, and maximum at Rs: 100/-, the latter to be
reached by three annual instalments of Rs: 10/- each, -

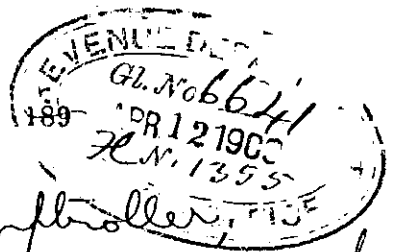

the 1st of December 1899, my time for drawing the
first instalment has commenced. What I now
seek with due respect is that in consideration of
the above circumstances, the Government may be
graciously pleased to permit me now to draw the
maximum pay viz Rs: 100/- and give me the same
status which my predecessor had.

I beg to remain
